

## BF 10 DATASHEET

| TECHNICAL DATA     | UNITS               | BF 10       |
|--------------------|---------------------|-------------|
| Free Airflow       | m <sup>3</sup> /hr  | 250         |
|                    | CFM                 | 147         |
| Effective Airflow  | m <sup>3</sup> /hr  | 20-200      |
|                    | CFM                 | 12-118      |
| Static Pressure    | PA                  | 6,000       |
|                    | in/H <sub>2</sub> O | 24.1        |
| Voltage            | V                   | 100 - 240   |
| Motor Output       | kW                  | 0.6         |
| Sound Level        | db(A)               | 62          |
| Inlet Port         | Qty/Size            | x2 - 50 mm  |
| Weight             | kg                  | 24          |
|                    | lbs                 | 53          |
| Dimensions (HxWxD) | mm                  | 510x300x300 |
|                    | inches              | 20x12x12    |

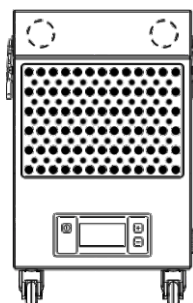

### BF 10 Standard

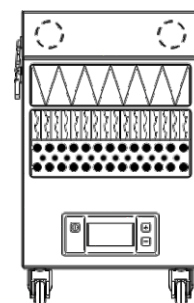

|            |                                           |
|------------|-------------------------------------------|
| Pre-Filter | (M5) Mat                                  |
| HEPA       | 23.7 ft <sup>2</sup> / 2.2 m <sup>2</sup> |
| Carbon     | 7.7 lbs / 7 Liters                        |

### BF 10-A

|            |                      |
|------------|----------------------|
| Pre-Filter |                      |
| HEPA       |                      |
| Carbon     | 13.2 lbs / 12 Liters |

### BF 10-ZA

|            |                                           |
|------------|-------------------------------------------|
| Pre-Filter | 23.7 ft <sup>2</sup> / 2.2 m <sup>2</sup> |
| HEPA       | 10.8 ft <sup>2</sup> / 1.0 m <sup>2</sup> |
| Carbon     | 3.3 lbs / 3 Liters                        |

| Part # | Description               |
|--------|---------------------------|
| 90362  | BF 10 Standard Model      |
| 11141  | Set of 20 Pre-Filter Mats |
| 11140  | 2-Stage Combo Filter      |

| Part # | Description             |
|--------|-------------------------|
| 90420  | BF 10-A Model           |
| 11143  | Activated Carbon Filter |

| Part # | Description            |
|--------|------------------------|
| 90396  | BF 10-ZA Model         |
| 15976  | Z-Line (M6) Pre-Filter |
| 15119  | 2-Stage Combo Filter   |
